

Postnup preparation after marriage

Preparation for a lawyer consultation, not legal advice or a prenuptial or postnuptial agreement. Rules depend on the state and country. Work with a family-law attorney to draft and review your agreement; each partner should have independent counsel. This tool does not provide signing or guarantee enforceability.

Educational notes, not an agreement to sign.

Field	Your notes
What changed after the wedding	
Protection each person wants	
Existing prenup or other agreements	
Assets, debts, and contributions — no account numbers	
Career breaks and family care	
Questions about current rights and proposed changes	
States and countries where advice is needed	
Independent lawyers and separate quotes	
When to revisit	

Ask your own attorney: is a postnup available for our circumstances, how do we address existing rights, and what disclosure and formalities apply? Are separate estate or separation documents needed? Do not use a prenup with an altered date. No signatures or legal clauses are provided.
