

Consultation request email

Preparation for a lawyer consultation, not legal advice or a prenuptial or postnuptial agreement. Rules depend on the state and country. Work with a family-law attorney to draft and review your agreement; each partner should have independent counsel. This tool does not provide signing or guarantee enforceability.

Hello,

We are planning to marry around [month and year]. I would like independent advice about a prenup. We live or plan to live in [state and country]. Topics I would like to discuss: [without sensitive financial details].

Do you handle situations like this, whom would you represent, and what timing and fees apply to drafting or review? How can I share documents securely after arranging a consultation?

Thank you,
