

Debts loans and guarantees

Preparation for a lawyer consultation, not legal advice or a prenuptial or postnuptial agreement. Rules depend on the state and country. Work with a family-law attorney to draft and review your agreement; each partner should have independent counsel. This tool does not provide signing or guarantee enforceability.

For each obligation:

Overview: one item per row. Add rows in Word as needed. Record values in their original currencies; this worksheet does not calculate totals.
